Permission to email and publish my child's work, photographs or videos through Just Montessori Inc or via HiMama

To: Parent/Guardian,

Please read this page carefully as it includes information about safety and security issues associated with privacy and behavior.

In the interest of safety and security we require parent permission for the publishing of children's work, photographs or videos through a software program called HiMama as well as directly through the school Just Montessori Inc. (the "**Programs**"). By signing this form you grant permission for us to photograph or video your child for the purposes of sharing this information with you through the Programs. You will also receive updates and information about your child through the Programs to the email you have provided herein.

Note that sometimes other children in the center may feature in photos, videos or stories of your child. By giving your consent you agree not to share photos or video of any child, other than your own, outside the Programs without permission.

To learn more about the Programs, please visit www.himama.com or read through the Just Montessori Inc. Parent Handbook. Please complete, sign, and return this form to the center if you wish to participate. We encourage you to contact us if you have any questions.
